

December 10, 1976

TO: Annual artists
FROM: Helene Fried
Linda Dackman

RE: Annual catalog

We will be publishing a catalog to document the Annual exhibition held at 2793-18th St. weekly during the past year.

The catalog will be 8 1/2 inches in size, with one page devoted to each artist in the exhibition. The page will contain one or two photographs of the artist's work from the Annual exhibition, as well as a brief statement explaining that work. At the back of the catalog will be a listing of brief biographical information for each participant.

We request that each artist submit one or two clearly labeled photographs (with artist's name, date of piece, title of piece, medium, and any other relevant information); a brief statement regarding his/her work (marked with artist's name and clearly written); and the biographical information form below. Due to the limitations of space, please remember that the longer your personal statement on your work, the smaller your photograph. Please DO NOT send irreplaceable photographs.

Your materials must be received in the mail by January 6 or may be hand delivered on January 6 and 7, following the Art Institute administrative holidays. Please send to Helene Fried/Linda Dackman, SFAI, 800 Chestnut St., SF. 94133. If you hand deliver, the receptionist can direct you to our office. Call 771-7020 with any questions.

ANNUAL CATALOG
